As someone involved in the world of psychology you will understand how important the work of Dr. Martin Seligman on Positive Psychology has been in the last 10 years. Well now you can hear him and 8 other authorities on happiness - including 5 professors and doctors of psychology – here in Singapore.

We would like to invite you to join us at Global Leadership Academy's conference The New Science of Happiness and Well-Being on the 16-17 April 2008 at the Singapore Expo and Convention Centre.

This is the first time such a conference has been held here in Singapore and is an opportunity to understand the latest research on the "how-to" of happiness. Hi-lights include:

Positive Psychology: The Pursuit of Happiness at Work, at School, and at Home - [DR. MARTIN SELIGMAN](#) - Founder of Positive Psychology, Professor of Psychology at the University of Pennsylvania

The How, What, When, and Why of Mental Health: Is it Possible To Become Lastingly Happier and, If Yes, How? - [DR. SONJA LYUBOMIRSKY](#) Professor of Psychology at the University of California, Riverside
